Re: Lisa Sabo Legacy Fund

A corporation fund was recently created called the “Lisa Legacy Fund.” This is in honor of Lisa Sabo, the Prairie View Cafeteria Manager who passed away from cancer in February. Prior to her death, Lisa gave her husband \$1000 that she wanted deposited in a fund to help students with lunch money. She also asked that all of her memorial donations be donated to this fund.

Right before spring break, the Prairie View school counselor organized a penny drive to get collections to have Lisa’s name added to a memorial bench on the playground. Students collected over \$1300! Since we needed only \$170 to pay for the memorial bench, the rest of the money is being presented to the Lisa Legacy Fund.
